1.2.137

a Lesson in the University of The New Covenant

Theodore Cottingham, September 23, 2004, Tape 45_4 about 9:00 p.m.

www.unc.bz

1. So many have so much of Me. So many have so much and squander Me, not taking advantage of Me, of what they have, of what they can see, what they can hear, what they could be doing, what they could become.
2. The coming revolution comes and now is, having begun, already begun, and is, is in My heart, is in reality real and coming forth at light speed I am. Watch Me.
3. Intent on Me be and weary not at My words, My repetition, or My revolution; My arms that now come to lift My arms that lift by your side, your arms that are My arms, My arms that I now lift in worship and praise and leadership.
4. I thank you. I love you, I bless you. Thank you for loving and blessing My people and arising them to their place; their place in Me, their places designed, their places awaiting, their places with their nameplates awaiting them, Me calling them to their place to eat at My table arisen and strengthened be—all of you who come to My table—you will, without fail—eating My words, My delicacies, My fruit, My truth and fruit makers making. I love you. My revelation, My truth, the revelation of My revolution, the revolution of My revelation. I love you. Incarnation. I thank you. I love you.
5. Recant not, steadfast be, become even more so; rooted and grounded and pier'd in Me, broader, deeper, yet more so, still. Continuously receiving Me, revelating Me, revealing Me and the power I have given My children, My family, My troops, My army, My officers, My all, My all who are all, all five and so much more; all five and not counting, all five replete, complete in Me. I love you. My glass, My light, My shining forth, My miracles—natural states in Me. I love you.
6. My Timothy's come now from all over the world to be still and beside Me be, being lifted, lifted into Me by you and giants who I bring now to you, to Me, to My School, to My University makers making Universities of My design in Me. The path clear, the way made, provision provided, abundance'd, abundant to all. I love you.
7. I love you and I give you Me. Share and share alike and release the power of My synergy, of My family being one and enumerate the powers I have provided, I have revealed, that I am, that you are, that they are in Me. I love you.
8. I love you, I love you, I love you and I give you so many friends, so many richnesses of My Spirit across My lands, My globe, in distance and time with boundaries none. I love you.
9. Proceed into Me and pursue with passion that which you have begun. Fatigue not and ready be. Prepare, pursue, passionately continue your course in Me, Me; I am your teacher. I am THE Teacher. I am your course maker and courses I make, I make at your hand and the hands of those I bring you.

10. **Technology comes. Webmasters of masters, come, of webs that weave only Me in networks** of communicative abilities seen by only Me, My eyes, My heart, implementing Me now for My children, My lambs, My family, My giants of giant makers. I love you.
11. Behold the Lamb, behold the Lamb which was slain before the foundation of the world—I was, I am, I become—all that I said is now true, true now; **act in My power and authority,** going and glowing, fearing nothing and no one. I have empowered you to fail not but to flee only in Me.
12. Feel My words alive in you, see My words alive in you, hear My words reverberate and pulsate with the power of My life, My light, My shining forth, resonance of only Me. I love you.
13. I come, I call and I conquer every doubt that what I revealed to you is true. Recant not and never doubt, never die agonizingly about My revelation. I am. I come, I came and **I have come again.** I love you. I am. See Me in what I am saying and what I have said and what I have affirmed, confirmed, delivered unto you on plates of silver, platters of only Me. My heart, My heart, My timing, My Me revealed unto you to reveal—herald be, heralding My appearing. I love you.
14. Shrink not back, for your assignment increases and comes forth in might and power, grace and glory, in authority needed, necessary, already given. I love you.
15. Intensely Me, Mine, all Mine, you are all Mine and you are Mine-ing My people, Me-ing My people, loving on them, lifting them, lighting them in the light of My life, My path, My plan, My glory, Me; the lifter of their head, you lifting their head to help focus them on Me and My eyes.
16. My fire which re-ignites ignites and establishes Me firmly in My Mine, **My seed of Christ coming forth in maturity**, loveliness and beauty, maturity of only Me. I love you and I give you Me and I cloud not that which you cannot see, where you can see clearly now. I am.
17. I have come again and I am coming more and more. Watch Me. No one will miss Me who has eyes to see and ears to hear and a heart to receive. Yield and surrender now to the life force of only Me. I am. I am light, I am love, I am energy, time and space and all that you see is in Me and I am the answer to all you seek. All abundance is in Me.
18. Recant not, please recant not—no despondency, no despair, no agonizing moments, I am Me, you are Me—I Am. I have spoken and confirmed and I am confirming you and the confirmation of My words and the confirmation of My confirmation.
19. Let Me be Me and let Me rule and reign and subdue through My New Covenant'd ones to receive Me fully and let Me flow; My river embracing, enrapturing, flowing through them at light speed, no restrictions, no boundaries, no limits. I love you. Be not afraid of astrophysics, metaphysics, and metaphysical problems that are presented before Me. I am the only, the one and only meta-I-Am, every meta is in Me, still. I am.
20. I come and I call and I conquer and I reveal and I am revealing more and more. Thank you for revealing Me, being afraid not. In joy and laughter bringing to My

emotional ones who are emotionally dead, spiritually alive, spiritually dead, in every state of affairs and status, in belief systems of Me and not Me, bringing Me and serving Me to them all equally, sharing, sharing, sharing Me. **Share and share alike.** I love you. Withhold nothing, give Me your all; you did, you have, you have retained nothing and now I give you My all to give My all to My people. I love you.

21. My all, please come, this night September 23, 2004, in My fullness be known and drink from My fountain, My platters, My plates, My servants before you serving you with the word of My mouth, confirming Me to them, confirming Me to you. Lifting you I am to My places of prominence, power, prowess. I love you.

22. Think not you have come for a time not as this, for you have come for this time, for I anointed, I appointed, I yielded; yield and surrender and let Me see what I will do with Me, the work of My hands already inside you.

23. Let Me work with you, let Me heal you, let Me touch you, mature you, correct you, connect you, guide you and relationship you with all My people in all of My globe, all of My world; your little world for My big world. That's My offer tonight. That's My offer eternally. I love you.

24. Receive Me in My fullness, receive My offer, receive My love. On bend-ed knee before you I am. I beg, I plead receive Me, My love.

25. My cataclysmic conquerors come but not conquering the ones conquered by My love. I love you.

26. I love you and I give you Me and I thank you for giving Me all that you have, all that you will.

27. All that you can become is before you now.

28. I walk with you, I talk with you, I lift your head, I allow you to become Me, My power, My authority, My words, My New Covenant coming forth, flowing, joy and laughter, repentance, restitution, reclamation, **reclaiming all that was, restoring, bringing My Kingdom of Heaven into all the earth.** I love you.

29. Recant not, be strong, be Me and glow, go in the glory of My word. I love you. I thank you. Good night.
